April 1, 2024

Dear Fellow Traveler,

The Snohomish County Transportation Coalition (Snotrac), is pleased to provide you with this guide for how to get around by transit within the communities of Camano Island, Stanwood, Arlington, Darrington, and points nearby.

No matter where you're going, whether it's for work, school, medicine, or pleasure, you deserve a safe, convenient, and affordable trip.

There are many public and nonprofit transportation providers in the North Snohomish County area that are working tirelessly for a high quality experience, no matter your age, ability, or income — so many that it's sometimes hard to remember them all. With this guide, we hope to make navigating our region a little easier.

Our guide isn't quite comprehensive. For example, the guide does not include Amtrak's trips between Mount Vernon, Stanwood, and Everett. The guide also does not include the many trips provided by Community Transit from Arlington, Marysville, and Lake Stevens to places south and east, or the trips provided by Skagit Transit from Mount Vernon to Everett. If you are looking to go farther than the trips shown in this guide, we encourage you to explore your options on these transit agencies' websites, as well as those of Everett Transit, Sound Transit, and King County Metro.

Finally, I encourage you to get involved in your community by speaking out for more transit and more walkable, vibrant communities. If you're looking for a place to learn more about creating affordable, age- and ability-friendly communities for all people, I personally invite you to attend one of Snotrac's bimonthly Partners Meetings. You can sign-up for our next meeting at goSnotrac.org/events.

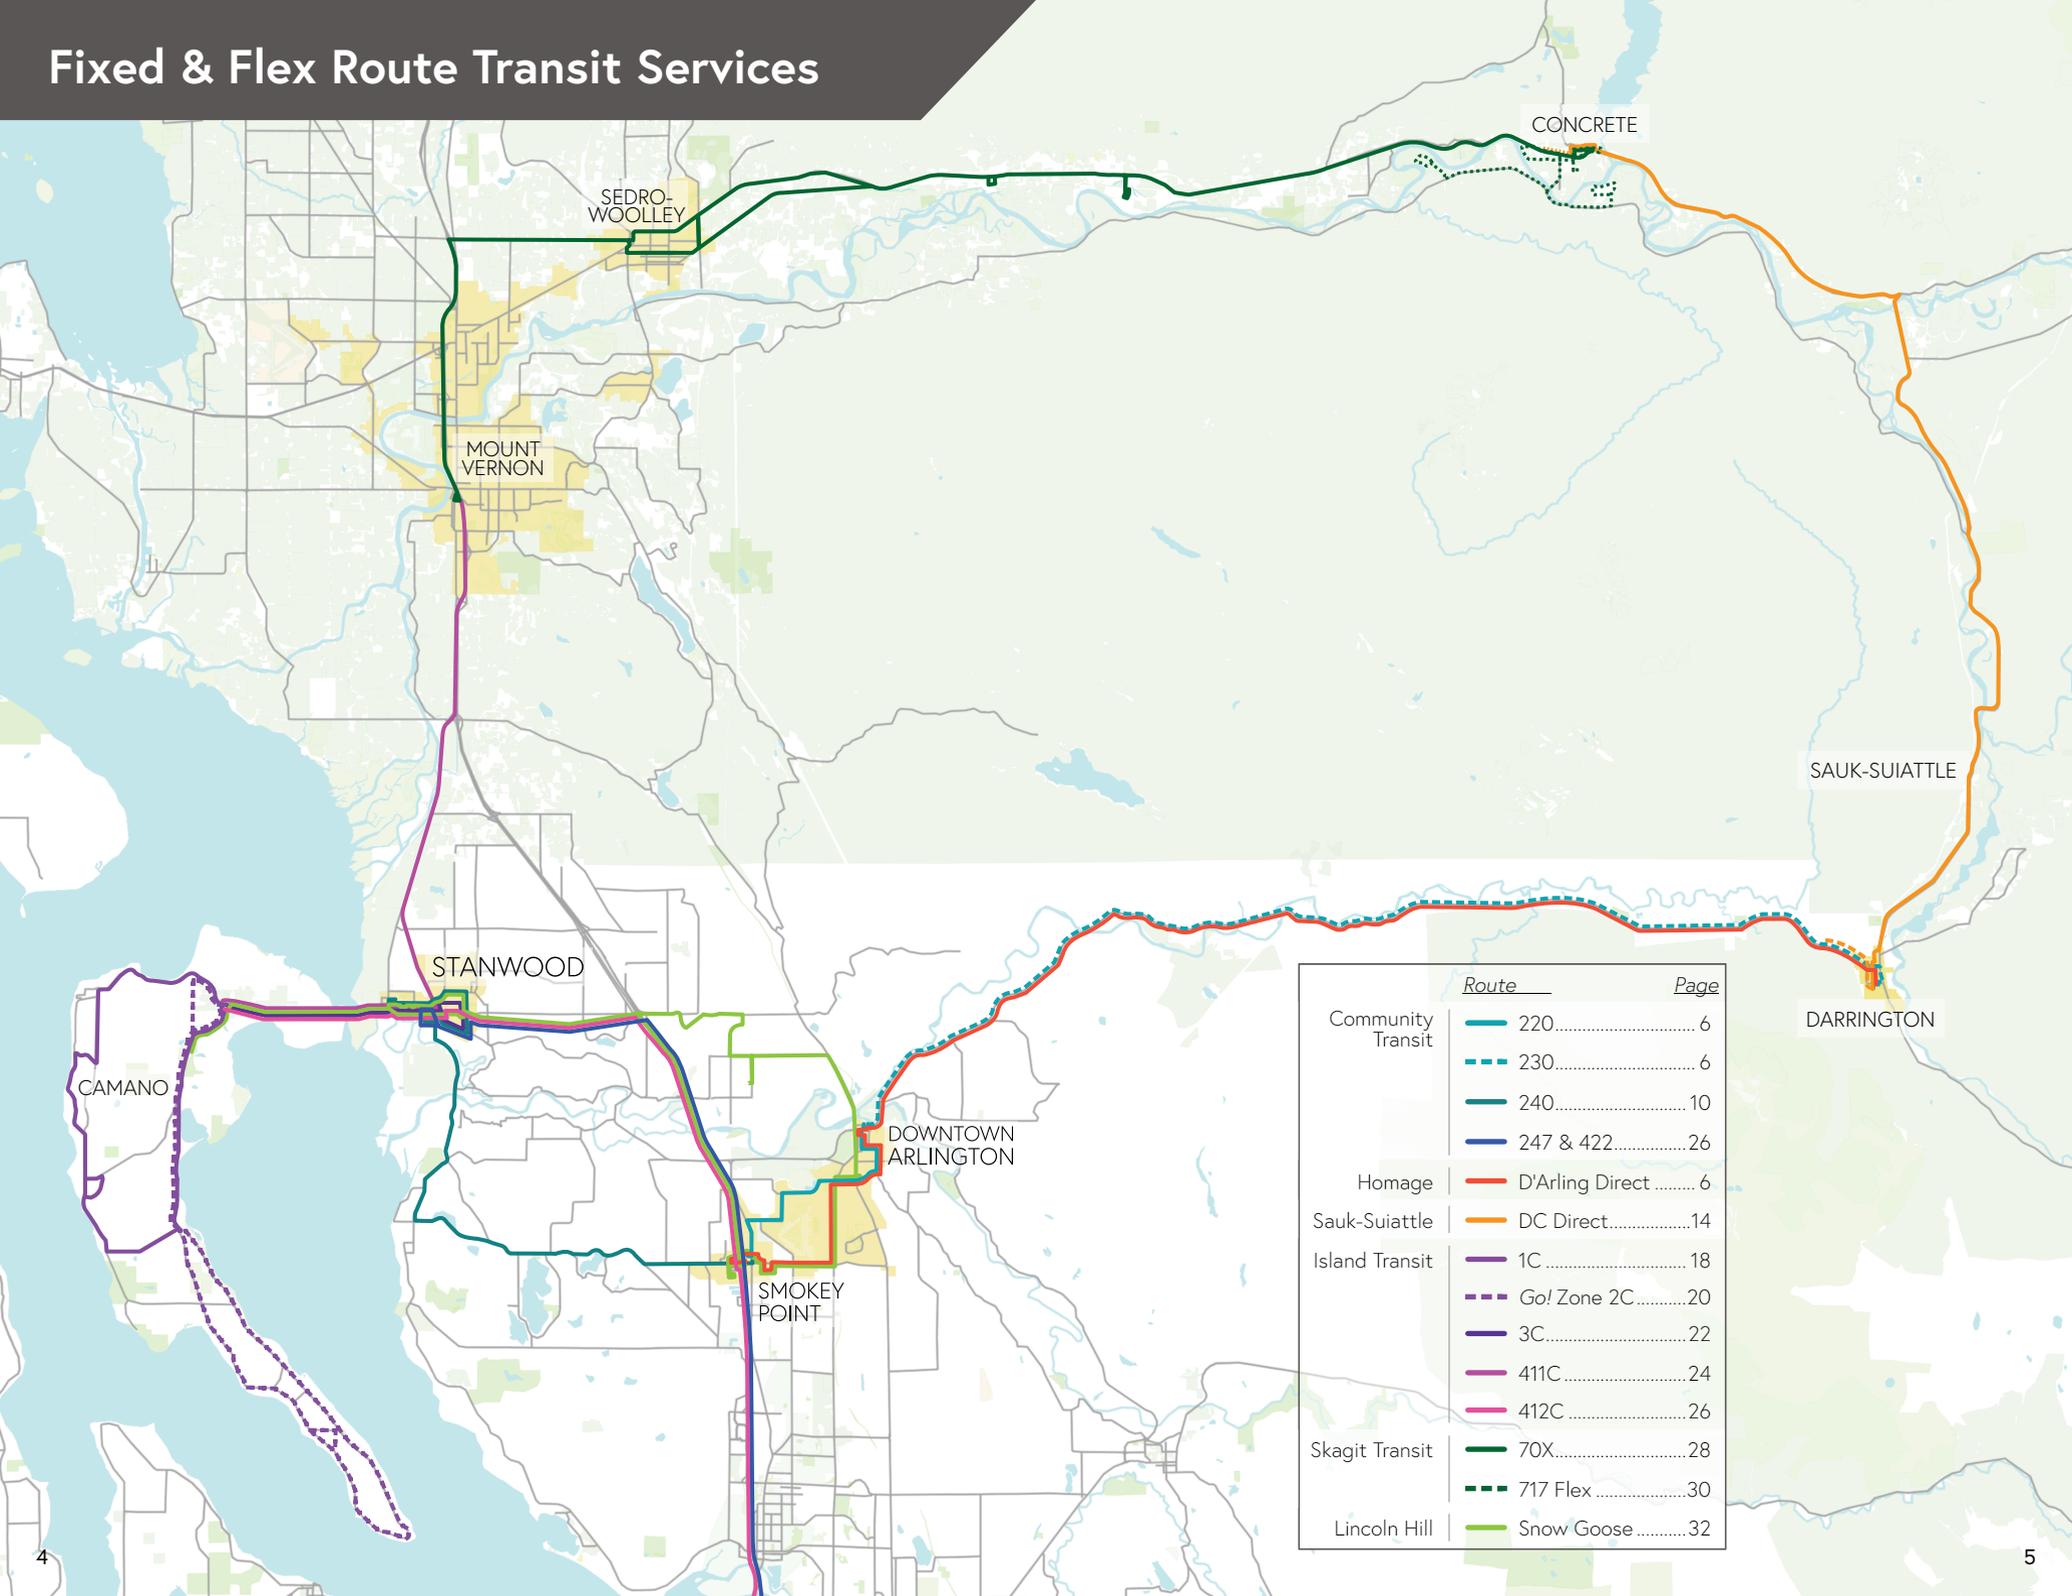

Welcome aboard!

Brock Howell, Executive Director

Community Transit Routes 220 & 230 D'Arling Direct

Community Transit's Routes 220 & 230

Community Transit operates Route 220 as an hourly service between Smokey Point and Downtown Arlington, Monday-Friday and on the weekends.

In addition, the Route 230 provides roundtrip service to Darrington each morning and evening, Monday-Friday.

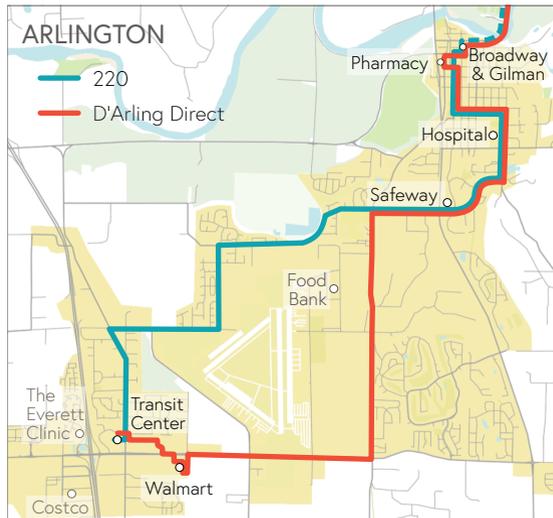

Community Transit fares on local buses are \$2.50 per ride, reduced for eligible riders (disabled, age 65+, or income-qualified), and free for youth 18 & younger.

Homage Senior Service's D'Arling Direct

Homage operates the D'Arling Direct from Smokey Point to Darrington. The service is free and open to the public, and operates every day except holidays.

Homage will pick up anyone waiting at a Community Transit bus stop from Broadway St & E Gilman Ave in Arlington to Seeman St & Fullerton Ave in Darrington.

With 24-hour prior scheduling, the D'Arling can provide curb-to-curb pick-up/drop-off within a 3/4ths mile of the route. Call 425-423-8517.

Sauk-Suiattle's DC Direct

The Sauk-Suiattle Tribe operates the DC Direct transit service between Darrington and Concrete on weekdays, except designated holidays.

The service is free and open to the public.

With 48-hour prior scheduling, the DC Direct can provide individuals with curb-to-curb service within Darrington, on the Sauk-Suiattle Reservation, and within Concrete. Call 360-436-0121x288.

Key to Schedules Below

⇄ indicates trips that are timed to connect with the Community Transit's Route 230, Homage Senior Services' D'Arling Direct, and Skagit Transit's 70X.

★ indicates trips that the DC Direct will continue beyond its typical final destination, from the Darrington Community Center to the Sauk-Suiattle Museum or from the Concrete Park & Ride to Albert's Market. During this "flex" time, drivers may conduct prior scheduled curb-to-curb pick-ups.

| 5:10 PM | < ----- Drop-off only ----- > | | | | | | |

Island Transit's Route 1C operates on weekdays in a counter-clockwise direction in the northern end of Camano Island.

How much does it cost?
Free. Island Transit has no fares.

Upon rider request, the driver will deviate from the standard route to take the rider to Cama Beach or Arrowhead Road.

Note: Cama Beach and Arrowhead Road are not regularly scheduled stops, but upon rider request, the driver will deviate from the standard route to take the rider to those destinations.

Island Transit's GO! On-Demand Service: Zone 2C

Island Transit Go! provides a flexible and convenient alternative to fixed route services designed to improve connections to transit hubs and popular destinations such as shopping centers and grocery stores. The app-based technology matches multiple riders headed in a similar direction into a single vehicle, allowing for quick and efficient shared trips.

The Zone 2C service area is for the southern and eastern sides of Camano Island. Zone 2C operates on weekdays, 5 a.m. to 7:30 p.m., and on Saturday and Sunday from 8:30 a.m. to 5:30 p.m.

How much time prior to my trip must I schedule it?

This is a same day service. Riders must provide at least 2 hours notice for pick-up. Last reservation is 4 p.m. for same day service. Riders may schedule up to 2 weeks in advance.

Who can use Go!?

Everyone.

Where can I get picked up and where can I go?

This is a bus stop-to-bus stop service, and trips must start and end within the designated service area. You will be picked up and dropped off close as possible to your destination at the nearest bus stop.

After booking a ride, the app will display the pick-up location where the vehicle will meet you. Since this is a shared ride service, you may board with others in the vehicle or stop to pick up others.

How do I schedule a trip?

There are three easy options to schedule your ride:

- Call dispatch at least 2 hours before requested pick up at 360-678-7771
- Online at: <https://islandtransit.ecolane.com/selfservice/login>
- Use Island Transit's Go! app on your smart phone.

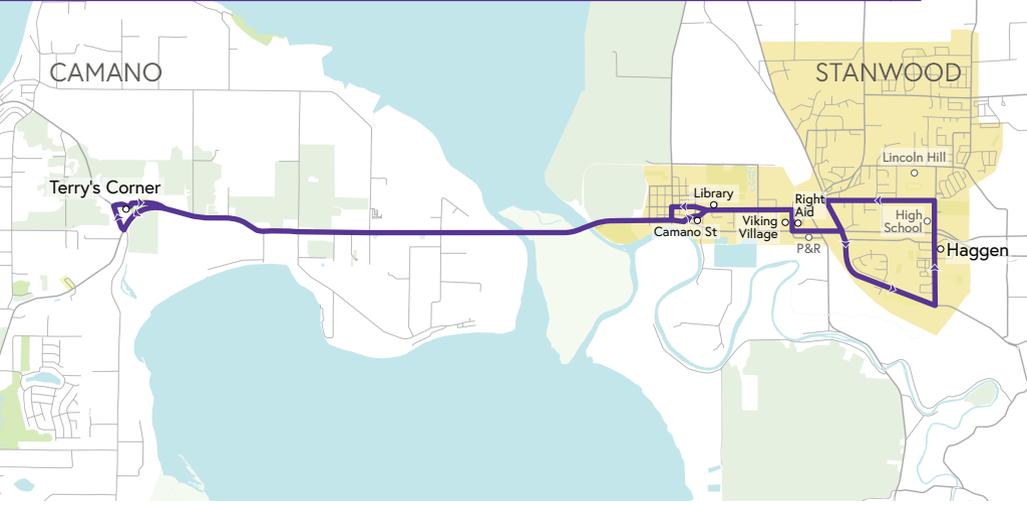

I need wheelchair assistance. What's different for me?

Paratransit riders must be approved prior to accessing this service – this requires an application process. In addition, paratransit riders must contact dispatch to register for the Go! Service; once registered, the rider may use the Go! App, website, or call into dispatch to schedule trips. Paratransit riders are encouraged to schedule the day before. Same day service is not guaranteed.

How much does it cost?

Free. Island Transit has no fares.

Island Transit: Route 3C

Island Transit's Route 3C operates on weekdays and weekends, connecting Terry's Corner on Camano Island with destinations in Stanwood.

How much does it cost?

Free. Island Transit has no fares.

Skagit Transit Route 717 Flex

Skagit Transit's 717 Flex

The 717 Flex provides service to dedicated bus stops on a regular schedule, and can also "flex" up to three-fourths of a mile from its route onto approved roads to assist those who have difficulty accessing stops. This service is available to everyone; however, advance reservations are required.

- To schedule a flex pick-up/drop-off, call Skagit Transit at 360-757-4433 during service hours, Monday-Friday.
- Flex stop reservations must be made on a previously determined safe location the day of, and at least two hours before the requested bus arrival. Since seating is limited, passengers will be boarded in a first come, first served manner. All Skagit Transit buses are wheelchair accessible. If you plan to use a wheel chair or other mobility aid, please tell the staff on the phone.
- When you are speaking with the dispatcher, tell them that you are a flex route rider, and you need to schedule a pick-up in east county. Tell the following: your name, the address closest to the preferred pick-up location, and the time range that you need to catch the bus. Your approximate pick-up time will be assigned by Skagit Transit over the phone.
- When waiting for your scheduled pick-up, you must make yourself visible to the driver as the bus approaches and be positioned near where the address driveway meets an approved street, or at a previously determined safe location. While boarding the bus, tell your driver what bus stop you will be dropped off at. Pull the stop request cord one minute before your stop, and make your driver aware.
- Reservation calls are only necessary for a pick-up from a flex stop, not for service from a marked fixed route stop.
- There are no eligibility requirements. This service is available to everyone.
- No flag stops will be honored. All flex rides must be booked at least 2 hours in advance.
- The 717 Flex serves within the town of Concrete and Dalles Road, Concrete High School, and Concrete Airport. It does not serve the Pressentin area.

WEEKDAYS

Snow Goose Transit

WEEKDAYS

Lincoln Hill Retirement Community's Snow Goose Transit

Snow Goose Transit is a "flex route" service operated by the Lincoln Hill Retirement Community based in Stanwood.

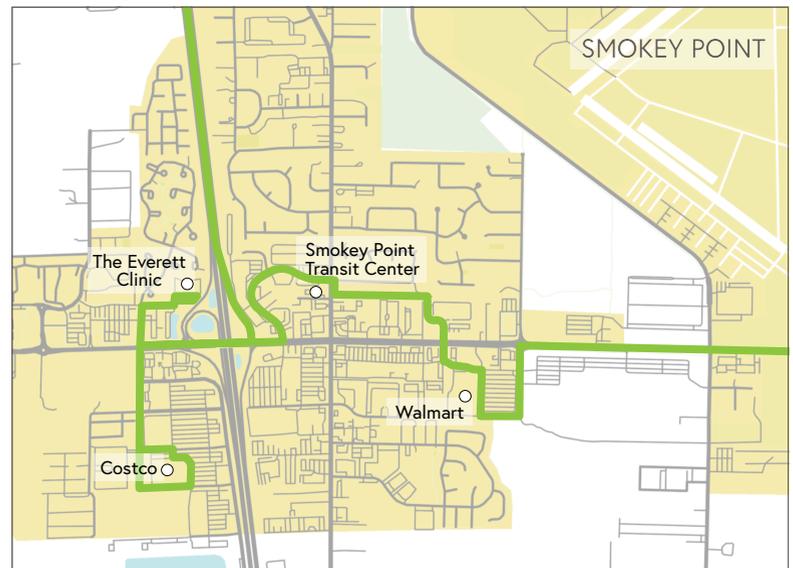

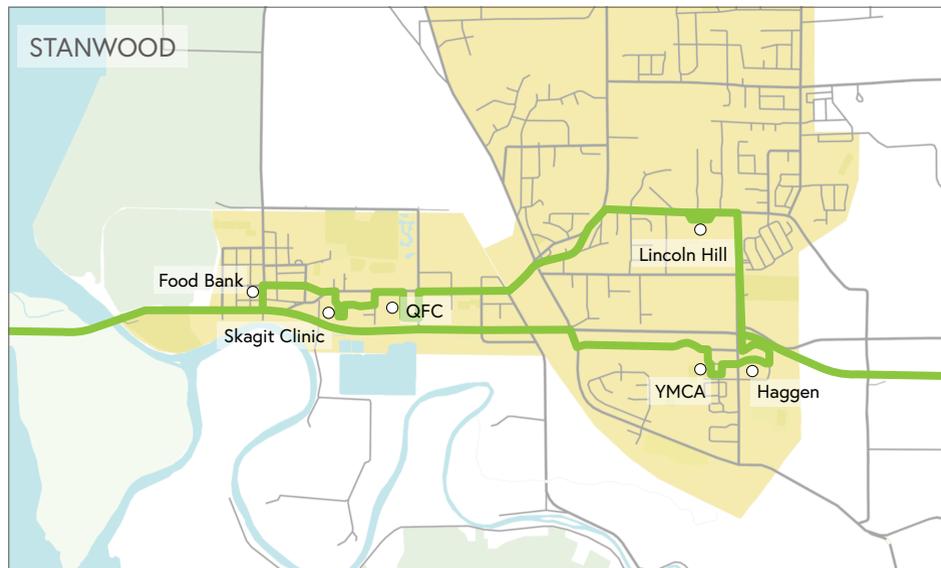

- With prior reservation, people with mobility issues can receive door-to-door pick-ups/drop-offs that are off route.
- To schedule an off-route pick-up, call 360-629-7403 ext. 101 at least 48 hours in advance, between 6:30 a.m. and 6:00 p.m. (Mon-Fri).
- Snow Goose uses 13-passenger mini-buses that are wheelchair accessible.
- Snow Goose only operates on weekdays.

Community Transit DART

Community Transit's DART (Dial-A-Ride Transportation) is an on-demand ride sharing service that provides transportation for Snohomish County residents who cannot access or use Community Transit's fixed-route bus service due to a disability or other condition.

DART is like the fixed-route bus service but with more flexibility. DART users ride with other people and can be delivered within three-fourths of a mile of Community Transit's local fixed-route bus service. Hours for using DART are limited to the same schedule as the buses traveling in the service area.

Who can use DART?

To qualify, DART paratransit riders must be 6 years or older, and must meet the criteria as defined in the Americans with Disabilities Act (ADA).

Qualified DART riders have one or more disabilities that prevents them from:

- Getting to or from a fixed-route bus stop
- Waiting for a fixed-route bus
- Getting on or off a fixed-route bus
- Being able to ride a fixed-route bus or to understand and follow transit instructions

How do I apply to use DART?

All riders applying for paratransit must meet with an Eligibility Specialist for an assessment interview to ensure that paratransit is the right transit option for them.

Assessment interviews are customized to each person's mobility, sensory, and cognitive ability. During the interview, you will be asked about your experience riding transit, and may be asked to do activities to check your balance, strength, coordination, and range of motion.

Please note that the rider assessment interview may take one-to-two hours to complete. Be sure to dress for comfort and the weather as activities may take place outdoors.

To schedule a Rider Assessment Interview, call 425-347-5912.

What do I need to apply for DART?

List of helpful information to bring to your interview:

- Contact phone numbers
- Home address and mailing address
- Emergency contact information
- Health care provider names and contact information
- Information about all mobility and medical devices that you use when traveling
- If your vision is impaired, a Visual Acuity of Field of Vision Statement from your vision care provider
- If you have a psychiatric condition, a diagnosis and statement from your mental health care provider

Additional information may be requested on a case-by-case basis.

Optional information:

- Supplemental information from your healthcare or disability service provider regarding your ability to use fixed-route bus service
- Any information you have about where you hope to travel regularly and bus stops or transit centers near you

You will be notified by mail of the eligibility determination within 21 calendar days of completion of the assessment process. You may appeal the determination if you disagree with it.

How do I schedule a DART trip?

Before you can use or book a trip with DART, you must first qualify for eligibility.

There are two ways to schedule a DART trip:

- Call (425) 347-5912, TTY Relay: 711 Monday through Friday between 5:30 a.m. and 7 p.m.; weekends and holidays: 8 a.m. to 4:30 p.m.
- Use the Community Transit DART App

You may request trips for the next day and up to seven days in advance. Be sure to request round-trip service if needed.

Fares

DART fares are the same as for Community Transit's local bus trips.

- Adults: \$2.50/ride or \$90 monthly pass
- Youth (18 & younger): Free
- Reduced Fares for ORCA LIFT, 65+, Disabled, and Medicare

Frequently Asked Questions

How far in advance should I schedule my trip?

You may request a trip for the next day and up to seven days in advance. Be sure to request round-trip service if needed.

When scheduling days in advance, Community Transit recommends that you call back the day before your ride to confirm your scheduled times.

Multiple trips in the same day must be scheduled at least 45 minutes apart.

If you need a trip for the next day, DART will only guarantee that trip if you call before 5 p.m. on weekdays and before 4:30 p.m. on weekends and holidays. If you request a trip for the next day after these times, DART will schedule it only if space is available.

How do scheduled trips work?

- Community Transit may need to schedule your pick-up time up to one hour earlier or later than requested.
- When you book a trip, you are given a 30-minute window when you can expect DART to arrive. Be ready for your trip at the start of your 30-minute window. The driver cannot wait longer than 5 minutes once they arrive to pick you up.
- During the trip, the DART vehicle may make several stops to let other customers on or off before getting to your destination. Your trip on DART will take about as long as it would on the regular fixed-route bus.

Can I use a wheelchair, mobility device, or other medical equipment?

DART will transport passengers in mobility devices if they meet our safety standards and can be accommodated by our equipment. Your safety is our priority.

The combined weight of the user, mobility device and all belongings and accessories cannot exceed the capacity of the lift (most lifts have a capacity between 600 and 800 pounds). Your mobility device must not extend into the aisle after being secured.

Please ensure your wheelchair or other mobility device is in good working condition. If your mobility device is unsafe, Community Transit will discuss your travel options with you.

DART transports passengers who use portable medical equipment, such as oxygen. For your safety, the driver cannot carry the equipment or help you use any other life support equipment. If you are not able to carry it or use it by yourself, someone must travel with you to assist with these needs. You must be able to either hold your equipment, or the equipment must be secured on the vehicle.

Can I bring service animals or pets?

Please tell DART when you request your trip if a pet or service animal will travel with you.

A service animal must be under the control of its handler at all times. A service animal must have a harness, leash, or other tether.

If the handler is unable to use a harness, leash or other tether because of a disability, the service animal must be otherwise under the handler's control (for example: voice control, signals, or other effective means).

Small pets may travel with their owners if they are in a suitable pet carrier. Larger pets must be on a leash and have a commercially produced muzzle that covers the mouth.

Animals and carriers must be at the handler's feet, out of the aisle, and cannot occupy a seat.

Homage TAP

The Transportation Assistance Program (TAP), provides curb-to-curb transportation service to disabled people of any age outside of Everett and the DART service area, to people age 55 or older, and to low income people of any age. TAP's primary service area is rural Snohomish County.

Operated by Homage Senior Services, TAP can assist with transportation to healthcare, employment, congregate meal sites, shopping, schools, senior centers, recreation, and more.

Who can use TAP?

Riders must be screened by Homage staff to determine eligibility. Eligible riders may include:

- Disabled people of any age outside of Everett and the DART service area.
- People age 55 and older.
- Low income people of any age.

How do I apply to use TAP?

All new riders must complete a quick over the phone application by calling 425-423-8517 or emailing tap@homage.org. Homage staff are available Monday through Friday from 7 a.m. to 4 p.m., to assist.

Fares

Rates are \$1.75/ride. Riders can purchase 20 one-way tickets for \$35. Drivers carry tickets for sale. Riders must have exact amounts or a check payable to "Homage TAP", as drivers do not carry cash.

About TAP Drivers

TAP Drivers are trained to assist those with special needs. Each rider is safely assisted onto the bus, secured by the driver if needed, and safely assisted off the bus at the rider's destination.

Please Note: TAP has limited availability. Please reserve your ride as far in advance as possible.

Homage Pay Your Pal

If you have a disability that prevents you from driving and you don't live near accessible public transportation or within an area with reliable TAP service, Homage Senior Service's Pay Your Pal may be able to help.

Pay Your Pal helps reimburse your volunteer driver for the cost of travel. Your volunteer driver could be your friend, neighbor, or family with a safe operational vehicle. They must also be fully licensed and insured.

How does this program work?

Once you are determined eligible, you will establish a transportation plan in which you decide when and where you want to go. You must also find your driver and organize and schedule your rides.

Because of the limited amount of funding, the allocation of funds will be on a first-come, first-serve basis. Rider's needs, use, and eligibility will be reassessed annually.

Who can use Pay Your Pal?

You must live in Snohomish County, have a disability, cannot access public transportation (including DART).

How do I sign-up?

Because of the limited amount of funding, the allocation of funds will be on a first-come, first-serve basis. Rider's needs, use, and eligibility will be reassessed on an annual basis.

Apply by contacting Homage at:

- 425-514-3185
- transportation@homage.org

- Fares on the 70X and 90X are double

Snow Goose Transit

- Free / Donation

How to Pay

Community Transit

- **ORCA card:** ORCA is the regional transit pass system for using Community Transit, Everett Transit, King County Metro, Pierce Transit, Sound Transit, and WSDOT ferries. Skagit Transit is not in the ORCA system.

An ORCA card can be purchased for \$3 at any Fred Meyer, Everett Station, and many other locations, as well as online at myorca.com.

Using an ORCA card to pay fares will save you money on trips with multiple transfers. With ORCA, you can continue your trip on another bus or on light rail while getting credit for the fare you've already paid. ORCA transfers are valid for two hours after you first tap your card.

- **Cash:** If using cash to pay your fare, full fare payment is required each time you board a new bus. Please use exact change.
- **Swift ticket transfer:** Transfers using Swift tickets are valid on Swift buses for up to 1 hour and 30 minutes after the purchase of the ticket.

Homage TAP

- **Cash:** If using cash to pay your fare, full fare payment is required each time you board a new bus. You must use exact change.
- **Check:** Make checks out to "Homage TAP"

Skagit Transit

- **Umo Smart Phone App:** Download the Umo Mobility app and create your account. You can buy a bus pass or add value to your Umo account on your phone using a credit or debit card. Passes are instantly ready to use upon payment. When you board the bus, face the QR code towards the Umo reader.
- **Umo Card:** Obtain a card at the Skagit Station Customer Service Center. The first card is free, but replacements are \$2.
- **Cash**

Bicycling to Transit

A great way to get to and from transit is by bicycle. Community Transit, Island Transit, and Skagit Transit vehicles are equipped with bicycle racks on the front so you can take your bike with you.

Bicycle lockers with an hourly rental fee of 5¢/hour are available at the Stanwood I-5 Park & Ride and Smokey Point Transit Center. To access the lockers, you can either download an app for free onto your smart phone or purchase a card. Visit BikeLink.org for more details.

If you lock your bicycle to a bike rack, be sure to secure it with a quality lock such as a steel U-lock, fixing the frame and at least one wheel to the rack.

In the event your bicycle is stolen, you will want to have saved a description, serial number, and photos of your bike. A great place to save this information is BikeIndex.org, a website run by a nonprofit that has helped recover nearly \$25 million worth of bikes. Registering bikes on Bike Index is free.

This schedule book was created by the Snohomish County Transportation Coalition (Snotrac). Snotrac advocates for improvement in transportation service and solutions—especially for those with specialized transportation needs—through community engagement, coordination of resources, and strategic partnerships. Learn more at goSnotrac.org.

Title VI of the Civil Rights Act of 1964 prohibits discrimination on the basis of race, color and national origin in programs and activities receiving Federal financial assistance.

The Snohomish County Transportation Coalition (Snotrac), Community Transit, Homage Senior Services, Island Transit, Sauk-Suiattle Tribe, and Skagit Transit are committed to ensuring that no person is excluded from participation in, or denied the benefits of, their services on the basis of race, color, or national origin, as protected by Title VI of the Civil Rights Act of 1964, the Civil Rights Restoration Act of 1987, and in Federal Transit Administration (FTA) Circular 4702.1.B, whether those programs and activities are federally funded or not.

Snotrac does not provide transportation. If you believe you have been subjected to discrimination under Title VI by Snotrac, you may file a complaint with Snotrac's Title VI Coordinator. For additional information regarding Title VI complaint procedures and/or information regarding our non-discrimination obligations, please contact Snotrac's Title VI Coordinator at (425) 780-6052 or info@gonotrac.org.
